

# EXEMPLIFY DEGREES

Knights of Columbus to Entertain Supreme Officers on June 27.

Much interest is being shown among the Knights of Columbus of Richmond in the third degree which will be exemplified on June 27. A large class of candidates is awaiting the three degrees, and indications point to the most successful exemplification in the history of the local council.

It is expected that some of the supreme officers from New Haven, Conn., will be present to witness the degree work.

It is earnestly requested that those who have signed applications of candidates turn them in to the council by the meeting on June 16. After that date no applications will be considered.
